I. INTRODUCTION

- Waste / Bio-mass sources like agricultural residue, cattle dung, sugarcane press mud, municipal solid waste and sewage treatment plant waste, etc. produce bio-gas through the process of anaerobic decomposition. The bio-gas is purified to remove hydrogen sulphide (H₂S), carbon dioxide (CO₂), water vapour and compressed as Compressed Bio Gas (CBG), which has methane (CH₄) content of more than 90%. CBG has calorific value and other properties similar to CNG and hence can be utilized as green renewable automotive fuel. Thus it can replace CNG in automotive, industrial and commercial areas, given the abundance biomass availability within the country.
- Ministry of Petroleum & Natural Gas has already announced the National Policy on Bio-Fuels 2018, which emphasizes on promotion of advanced Bio-fuels including CBG in the country.

3. To create a steady supply chain for CBG and entrepreneurship opportunities, CBG Plants shall mainly be set up by independent entrepreneurs. CGD Company shall off-take CBG produced from such Plants.
4. CGD entities propose to procure CBG from existing, upcoming & planned Compressed Bio Gas (CBG) Plants in India.
5. The general terms for the APPLICANT shall be on the following lines:–
 - a) APPLICANT shall be responsible for planning, preparation, engineering and execution of the project, including storage of raw material, operation and maintenance of the plant, maintaining final product output quantity and quality, managing the by-products and wastes from the plant as per existing central / state norms and providing performance guarantee for the project at their own cost.
 - b) Setting-up and commissioning of the CBG Plant and its continuous operation at rated throughput is the complete responsibility of the APPLICANT including arranging the entire land and finance.
 - c) Compressed Bio Gas (CBG) to be supplied shall meet **IS 16087:2016** specifications of BIS (detailed below) and any other further revisions in the said specifications.

IS 16087 : 2016 Standard		
S No.	Characteristic	Requirement
1	Methane percentage (CH ₄), minimum	90.0 %
2	Only Carbon Dioxide percentage (CO ₂), maximum	4%
3	Carbon Dioxide (CO ₂)+ Nitrogen (N ₂)+ Oxygen (O ₂) percentage, maximum	10%
4	Oxygen (O ₂) percentage, maximum	0.5%
5	Total sulphur (including H ₂ S) mg/m ³ , maximum	20 mg/m ³
6	Moisture mg/m ³ , maximum	5 mg/m ³

Also as per the **IS 16087:2016 (or its latest version)** specifications, the following shall also be met

- i. CBG shall be free from liquids over the entire range of temperature and pressure encountered in storage and dispensing system.
- ii. The CBG shall be free from particulate matter such as dirt, dust, etc.
- iii. CBG delivered shall be odorized similar to a level found in local distribution (ref. IS 15319)

- d) The CBG delivered to Retail Outlets is to be compressed at 250 Bar and supplied through Cascades to the CGD Company Retail Outlets as per the location provided by the CGD company in its GA.
- e) It will be the OGC's responsibility to purchase the CBG quantity produced and delivered in OGC's CGD GA from your plant upto the total consumption in CNG (Transport) & PNG (Domestic) segments in the GA and sell it through its Retail Outlet network or to its Consumer Network.

However, due to any reason if the entire CBG produced in your CBG Plant is not purchased by OGC, then OGC shall act as facilitator in exploring other options to market the surplus CBG produced from your plant and you will have the complete right to market the surplus CBG produced from your plant through alternate arrangement as per your wishes.

- f) The minimum designed capacity of a single CBG Plant shall be **2.0 Tonnes** per Day (TPD) of CBG.

6. **Qualification criteria**

- a) The APPLICANT should be of minimum 21 years of age (in case of individual APPLICANT).
- b) The APPLICANT shall be of Indian nationality AND/OR a company registered in India AND/OR Non-Resident Indians/Persons of Indian Origin AND/OR a Multi-National Company having its registered office in India / Overseas Corporate Bodies having its registered office in India.
- c) The Applicant may be a JV, SPV or a Consortium.
- d) The APPLICANT shall follow all the statutory norms as prescribed from time to time by Government of India or local government/government bodies for setting-up and its operation & maintenance of the CBG Plants.
- e) **Documentary evidence**
- Applicant to submit Certificate of Incorporation of the firm.
 - In case of sole proprietorship or any other case where certificate of incorporation is not available, GST registration or date of issuance of any other Government license will be considered.
 - In case of absence of any of the above documents, PAN card of the sole proprietor along with declaration of establishment of the proprietorship will be considered.

The name of the APPLICANT should exactly match the name as per certificate of incorporation and / or any other applicable documents.

f) **Evaluation of the EOI application documents**

All documents submitted by the Applicant shall be considered as authentic during the evaluation process and evaluation shall be conducted based on the documents submitted to the specified e-

mails & no further investigation or physical examination of the claims made through submitted documents by the applicant shall be carried out.

But in case at a later stage, it is found that any of the information furnished in the documents submitted are not authentic/genuine, the application shall be rejected. If LOI has been issued, the same shall also stand cancelled.

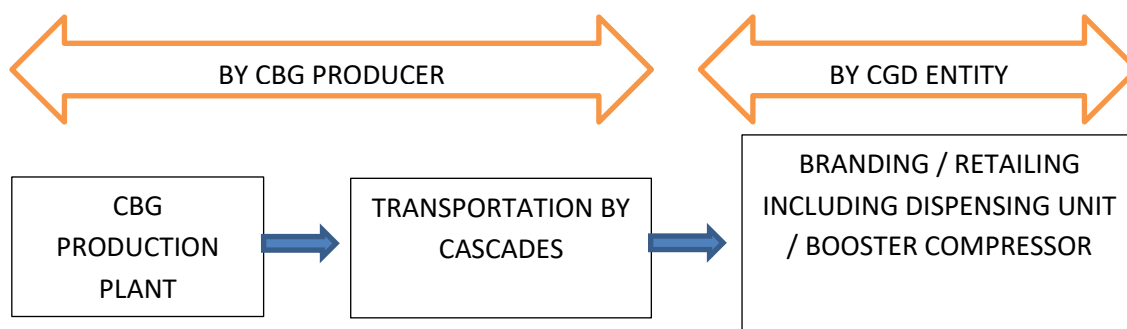

7. Risks

The APPLICANT should be well aware of the various risks involved in the setting up the CBG Plant and its marketing and should conduct independent due diligence before committing to any investment decision. CGD Company shall not be responsible for any of their business decisions or any future losses arising due to any unforeseen circumstances.

8. The prospective APPLICANTS shall clearly specify Plant-wise the name of the concerned CGD Company and their respective GA through which they choose to market the CBG. The details of GAs of the CGD entities are given in **Annexure III**.

9. Business Model for supply of CBG

Producer(s) / Seller(s) (Party/Entrepreneur) shall deliver CBG, at CGD Company's *existing or new Retail Outlet / Stand-alone Selling Point* through Cascades. The equipment for dispensing CBG at CGD Company *existing or new Retail Outlet / Stand-alone Selling Point* shall be installed and maintained by CGD Company & the CBG nozzles shall be manned and operated by CGD Company or its authorised service agent/ dealer/ representative. The outlet flange of the Cascade / Inlet Flange of Compressor / agreed point at the Retail Outlet shall be the Point of Sale for CBG. The cascade to remain connected to the compressor at retail outlet till the dispensation from the cascade is operationally feasible.

Pricing Framework of CBG

The long term procurement price of CBG as per IS 16087: 2016 standards (**or its latest version**), compressed at 250 bar pressure and delivered to CGD Retail outlets in cascades shall be as under:

1. The procurement price of CBG will be based on the principle "The Retail Selling Price (RSP) of CBG in a market shall be at par with RSP of CNG (as provided by the authorized CGD entity)".
2. Rs. 54/Kg plus applicable GST shall be the minimum procurement price of CBG delivered at Retail Outlet situated at any distance (up to 75 km one way) as per IS 16087 2016 specification (**or its latest version**) and compressed at 250 bar pressure and delivered to

EOI FOR SUPPLY OF COMPRESSED BIO GAS (CBG) TO CGD COMPANIES

OMC Retail Outlets in cascades w.e.f. from 01.06.2022. Further, the procurement price of CBG will vary as per the RSP of CNG.

3. The CBG procurement price shall be as per the following slabs, which will be the minimum procurement price of CBG delivered at Retail Outlet situated at any distance (up to 75 km one way) as per IS 16087 2016 specification (**or its latest version**) and compressed at 250 bar pressure. The slabs have been formulated starting from Rs.70.01/Kg with Rs.5 intervals. For markets where CNG is not available the CBG RSP shall be considered in lieu of CNG RSP.

S No	Lower Retail Selling Price of CNG in Slab	Higher Retail Selling Price of CNG in Slab	Procurement price of CBG	Procurement price of CBG
	including tax	including tax	Without GST	With GST
	Rs./kg	Rs./kg	Rs./kg	Rs./kg
1	Upto 70		54.00	56.70
2	70.01	75.00	55.25	58.01
3	75.01	80.00	59.06	62.01
4	80.01	85.00	62.86	66.01
5	85.01	90.00	66.67	70.01
6	90.01	95.00	70.48	74.01
7	95.01	100.00	74.29	78.01

Note: For further populating the slabs beyond Rs.100/Kg same formula will be followed.

4. Additional transportation cost for transportation of CBG beyond 75 KM (one way distance) from CBG plant shall be paid separately as per slabs below, based on mutual discussion between CGD JV/ subsidiary and CBG producer:

One way Distance of CBG Plant to Retail Outlet / Selling Point	Additional cost of transportation of CBG Rs./kg (without GST)
Above 75 km – upto 100 km	5.0
Above 100 km – upto 125 km	6.4
Above 125 km – upto 150 km	7.8

The amount as per the additional transportation slabs shall be deducted from the RSP to determine the applicable slab for CBG procurement price. The total amount payable to CBG plant owner shall be procurement price of CBG as per slab + additional transportation reimbursement.

5. The above pricing shall be valid for one year or till next revision (which may arise out of dip in CNG price, etc.) whichever is earlier. If the RSP of CNG falls below Rs 70/Kg, there will be immediate revision in the procurement pricing of CBG.

The procurement price of CBG purified as per IS 16087: 2016 standards (**or its latest version**), compressed at 250 bar pressure and delivered to OMC Retail Outlets in cascades (RO situated up to one-way distance of 25 Km from the plant site) shall never go below the already declared floor price of Rs. 46 plus applicable GST till 31.03.2029.

10. Finalization of APPLICANTS as mentioned in this EOI Document is an ongoing process as mentioned in the Notice Inviting Tender, which may be further extended depending on the decision of CGD Company. CGD Company reserves the right to discontinue the process at any point of time without assigning any reasons. All applications received shall be evaluated periodically as per details mentioned in this EOI Document. On evaluation, if applicant is found to have submitted incomplete or ambiguous documents query may be sent to the applicant seeking clarification / required documents.

II. GENERAL

1. This document comprises three sections namely, Notice Inviting EOI, Format for submission of EOI (attached as **Annexure-I, II & A**).

 - i. On receipt of EOI, CGD shall evaluate EOI based on the details submitted by APPLICANT. In case of incomplete information / documents, CGD Company shall inform the APPLICANT to furnish the required information / documents within stipulated time. CGD company reserves the right to reject the EOI incase required information / documents are not submitted within 01 month of the request.
 - ii. Based on evaluation, CGD Company shall reject EOI or shall issue LOI along with Draft Commercial Agreement & BG Format to the APPLICANT. LOI issued by CGD companies is legally non-binding.
 - iii. On receipt of LOI APPLICANT shall carry out the following:
 - a. APPLICANT shall carry out detailed project feasibility, market survey, feedstock analysis, land identification, technology finalization, off-take mechanism, plant capacity along with quantity ramp up plan, project execution schedule, constitution of

the firm (like JV, SPV etc.) and other study / analysis required for setting of CBG plant.

- b. Reconstitution of the firm: Any proposed reconstitution of the firm shall be allowed as routine matter unless and until any such proposed reconstitution is violating any statutory law or against the national interest / CGD's business interest. Any such refusal of granting permission by CGD company shall be brought to CBG producer's notice with written reasons and attempt(s) shall be made from both sides to address those concern in right spirit to ensure grant of permission for re-constitution of the entity/firm.

If there is a change in constitution of the entity without prior written consent of OGC and later on, it could be found that the reconstitution of your firm can not be regularised / granted or permitted in any circumstances by OGC due to some statutory guidelines / law etc. re-constitution of the entity/firm may not be granted. However, in such situation, earnest attempt from both sides shall be made to find out a mutual working solution to overcome the difficulty in regularising the reconstitution of your firm/entity & regularization shall be attempted. Only in the extreme situation, when no solution could be found, the cancellation of LOIs is to be considered due to unauthorised reconstitution.

- c. Applicant shall regularly update progress of his CBG plant to CGD Company. The land location, off-take mechanism, project execution schedule, commencement date, plant capacity and production ramp up schedule shall be finalised in consultation with CGD Company.

Based on the request from Applicant CGD Company may consider to permit changing of CBG plant location within the same or neighbouring GA before signing of Commercial Agreement.

CGD Company will not be responsible for any cost or expenses incurred by the APPLICANT, for carrying out above activities.

- d. The CGD Company may also evaluate, if required, other feasible options like CBG injection into CGD MDPE pipeline network, provisions of Cascade and/or CBG compressors by CGD, providing infrastructure services of MDPE pipeline on chargeable basis, CBG supply into gas storage facilities created by CGD for sale to various types of customers in the clusters etc.
- e. Mutual agreement may be arrived between concerned CGD and CBG entity considering various other feasible options after provisioning of various cost components in the CBG value chain, maintaining the overall intent of proposed pricing framework provided in the EOI.
- f. APPLICANT shall finalise the Commercial Agreement with CGD Company.
- g. The APPLICANT shall submit LOI acceptance along with signed Commercial Agreement to CGD Company within 03 months of LOI date. **Upon request from LOI holder, CGD shall favourably consider extension of this time frame.** However, the CGD Company reserves the right to extend the time limit of 03 months

for submission of LOI acceptance or terminate the LOI if not submitted within 03 months.

- h. Within one month of acceptance of LOI, APPLICANT to submit a bank guarantee, to safeguard investment of CGD Company towards retailing of CBG
5. **Bank Guarantee (BG):** Within one month of acceptance of LOI, APPLICANT to submit a bank guarantee, to safeguard investment of CGD Company towards retailing of CBG. The BG of **Rs 1 Lakh** shall be provided for minimum period of 03 years as per the format given by the CGD Company.
6. The APPLICANT is required to furnish all information and documents as called for in this EOI in English language. Any printed literature / documentary evidence submitted in another language, along with the EOI documents needs to be accompanied by an authentic English translation, in which case, for the purpose of interpretation of the document, the English version will govern.
